ALUMNI COMMITTEE

The reputation of any institution depends on the accomplishments of passed out students from the college. Hence, most of the institutions establish alumni association committee to improve interaction between former, present students and institution. Alumni associations offer networking opportunities, which can connect recent graduates with established professionals and help present junior students, pursue career changes.

Alumni meet helps the former students to share their experiences in the outside world and opportunities in their respective fields to the present students to build a successful career. It also makes the institution proud through success of the former students in their life.

OBJECTIVES:

- To promote the academic and professional activities in the field of pharmacy
- To honor the teachers, members/or others for their achievements in academic and professional activities
- To help financially poor students of VCOP, for their education and the members in case of any major ailments, if needed.
- To organize meetings, get-togethers, seminars, workshops, and such other activities to promote the academic and professional environment and to provide inter-face for effective interaction.
- To act as forum for the exchange of experiences among members and act unitedly for the overall development of its members.
- To act as a bridge between the alumni and the parent institution.
- To ensure more efficient and effective co-ordination and co-operation among the alumni members time to time.
- Accessible and innovative promotion of the department's research in order to connect alumni and public to cutting edge science.
- A commitment to transparency to goals and actions.
- To involve the members in the overall development of the college and the society.
- To maintain libraries, reading rooms, lecture halls, training centers etc. useful to the members of the association.
- To arrange teaching and training classes to the students studying in the college and also to the members to upgrade technical and general skills
- To gather and maintain data base of employment information and to assist the members in securing suitable jobs.

To conduct all appropriate activities to accomplish the above objectives and purposes
