ENTREPRENEURSHIP DEVELOPMENT CELL

Date:09-07-2018

An Entrepreneurship Development Cell (EDC) is an organization or cell within an educational institution or community that aims to foster and nurture an entrepreneurial culture among students and aspiring entrepreneurs. The primary objective of an EDC is to promote and support entrepreneurship by providing the necessary resources, guidance, and opportunities to develop and launch successful ventures.

The EDC serves as a platform where students with an interest in entrepreneurship can come together, exchange ideas, learn essential entrepreneurial skills, and receive mentorship from experienced entrepreneurs and industry professionals. It acts as a catalyst for students to explore their entrepreneurial potential, transform innovative ideas into viable business ventures, and gain practical experience in the entrepreneurial ecosystem.

OBJECTIVES

- ❖ To conduct guest lectures and training programmes by various eminent personalities from industry and academics
- ❖ Design, Development and maintenance of College Website.
- ❖ To provide monetary assistance & entrepreneurial strategy for opening of New Pharmacy (sales outlets)
- ❖ To provide assistance in getting various Government Grants
